## ABOUT THE AUTHOR

# KIM GATLIN

**D**allas native Kim Gatlin has spent most of her professional life in the fields of charitable fundraising and commercial real estate title sales.

In *Good Christian Bitches*, Kim puts a voice to the downside of gossip in a light-hearted piece of fiction but with a message that she hopes will resonate with women everywhere.

Like the feisty, charismatic women in *Good Christian Bitches*, Kim and the women in her life are bold, sassy and strong. She counts her mother, sister, girlfriends, cousin and two steadfast Southern Baptist grandmothers in that group—all women who use these traits as assets and gifts.

As an advocate for numerous charitable organizations, Kim is committed to fundraising for a variety of causes including the Juvenile Diabetes Research Foundation where she sits on the board, Crystal Charity Ball, Alzheimer's Association, Dallas Cattle Baron's Ball benefiting the American Cancer Society, and Children's Medical Center Women's Auxiliary.

Kim lives in the Park Cities area of Dallas with her two children. *Good Christian Bitches* is her first book.
